ADVISORY

Malaysia's Voluntary Deportation ("3+1") Program to End on August 30

The Philippine Embassy in Kuala Lumpur wishes to remind Filipino nationals in Malaysia that Malaysia's Voluntary Deportation ("3+1") Program is scheduled to end on August 30. Under this program, illegal immigrants who surrender voluntarily can be issued an exit pass by the Malaysian Immigration Department upon the payment of RM 400 (RM 300 penalty plus 100 RM for the one-way pass), and do not have to serve jail time nor pay high compound.

Filipinos who wish to avail themselves of this program may be guided by the following procedure:

Step 1: You need a valid passport. If you do not have a valid passport, you may proceed to the Embassy to apply for a travel document. Applications for travel documents go through a security vetting clearance, which takes around 10-15 working days.

For Filipinos residing in East Malaysia, the Embassy will also receive applications for travel documents during the following missions:

- Sabah – August 8
- Sarawak – August 12-18

The exact venues for these missions will be announced later.

Step 2: Book a one-way ticket to the Philippines, where the date of departure should be within 5 days from the date of actual visit to the Immigration Department and submission of requirements.

Step 3: When you have a valid passport/travel document and confirmed booking, proceed to the Embassy to secure an official endorsement for assistance that will be submitted to the Immigration Department.

Then, you may proceed to the head office of the Immigration Department in Putrajaya or the nearest immigration office where you reside. The head office of the Immigration Department is located at Level 4, No. 15 Persiaran Perdana, Presint 2, 62550 Putrajaya, Malaysia. They may be reached by landline at +60 3-8880 1298 or by email at pbe@imi.gov.my

Submit a copy of your passport/travel document, confirmed booking and the endorsement to the Immigration Department.

Step 4: Pay the required fees at the Immigration Department office for the issuance of the Exit Pass. It is only the Malaysian Immigration Department that issues the Exit Pass. According to the Immigration Department the Exit Pass itself costs RM 400. It is valid for a period of 5-14 days from the date of issue.

IMPORTANT: You must depart or exit Malaysia within the date of validity of the Exit Pass given by the immigration office. The date of validity is indicated on the Exit Pass.

It can be expected that when the Voluntary Deportation Program ends on August 30, immigration operations by Malaysian authorities may intensify and occur even more frequently. The Embassy reminds Filipinos in Malaysia to carry with them their proper identification and legal documents at all times, especially when going to public places.
